# COMPANY OVERVIEW

Hidayath Deccan Company is a Saudi based contracting company providing integrated solutions in civil construction, MEP works, infrastructure development, telecom infrastructure and general contracting.

We are committed to delivering high quality construction and engineering services that meet international standards, ensure safety, and create long term value for our clients and the communities we serve.

## WHO WE ARE

We are a dynamic and fast growing contracting company driven by a team of experienced professionals and a skilled workforce. Our strength lies in our ability to execute projects efficiently, safely and on time while maintaining the highest standards of quality and integrity.

From concept to completion, we partner with our clients to build structures and infrastructure that stand the test of time.

### INTEGRITY

We conduct our business with honesty, transparency and accountability.

### QUALITY

We deliver workmanship and services that meet the highest quality standards.

### SAFETY

We prioritize the safety of our people, clients and communities.

### COMMITMENT

We are committed to delivering projects with dedication and professionalism.

### EXCELLENCE

We continuously improve and innovate to achieve excellence in everything we do.

RIYADH

## OUR PRESENCE

Headquartered in Riyadh, Kingdom of Saudi Arabia, we execute projects across the Kingdom with the capability to mobilize rapidly and deliver excellence in every location.

# VISION, MISSION & CORE VALUES

## OUR VISION

To be a leading and trusted contracting company in Saudi Arabia, recognized for our excellence, innovation and contribution to building a better future.

## OUR MISSION

To deliver integrated and high quality construction and engineering solutions through a skilled workforce, modern resources and commitment to safety, quality and timely execution while creating value for our clients and society.

## OUR CORE VALUES

### SAFETY

We prioritize the safety of our people, clients and communities in everything we do.

### QUALITY

We deliver superior workmanship and services that meet the highest quality standards.

### INTEGRITY

We conduct our business with honesty, transparency and accountability.

### COMMITMENT

We are committed to our clients, our team and to delivering on our promises.

### EXCELLENCE

We continuously improve and innovate to achieve excellence in every project.

### RELIABILITY

We are dependable and consistent in delivering results you can trust.

**BUILT ON QUALITY.  
DELIVERED WITH COMMITMENT.**

# COMPANY JOURNEY & PRESENCE

Our journey is built on a strong foundation of trust, quality and consistent performance. With a clear vision and commitment to excellence, we continue to grow, expand our capabilities and deliver value across the Kingdom of Saudi Arabia.

## OUR JOURNEY

**2015**

Company established in Riyadh, Saudi Arabia with a commitment to quality and client satisfaction.

**2016-2017**

Built a strong foundation and delivered early projects across multiple sectors.

**2018-2019**

Expanded our capabilities in MEP, infrastructure and telecom works.

**2020-2021**

Strengthened our workforce and operations to handle large scale and complex projects.

**2022-2023**

Achieved significant growth, diversified services and delivered projects across the Kingdom.

**2024 & BEYOND**

Focused on innovation, excellence and sustainable growth for a better tomorrow.

## OUR PRESENCE

**RIYADH**

Head Office  
Riyadh, Kingdom of Saudi Arabia

**PROJECT COVERAGE**

Serving projects across major regions of the Kingdom.

**LOCAL STRENGTH**

Local teams, resources and partners ensuring faster response and efficient project delivery.

## OUR COMMITMENT FOR THE FUTURE

We remain committed to delivering superior construction and engineering solutions, creating long term value for our clients, empowering our people and contributing to the development of the Kingdom of Saudi Arabia.

# CIVIL & STRUCTURAL WORKS

At Hidayath Deccan Company, civil and structural works are at the core of everything we build. We deliver safe, reliable and high-quality construction solutions that form the backbone of infrastructure and buildings across the Kingdom. Our experienced team, advanced equipment and proven methodologies ensure that every structure is built with strength, precision and durability.

## OUR SCOPE OF WORK

### FOUNDATION WORKS

Excavation, backfilling, shoring, PCC, footing, raft, and pile foundation works.

### CONCRETE WORKS

RCC structures, columns, beams, slabs, staircases and shear walls with accurate formwork and concreting.

### REINFORCEMENT WORKS

Cutting, bending, and fixing of steel reinforcement as per structural drawings and approved specifications.

### FORMWORK & SHUTTERING

Design and installation of formwork systems ensuring strength, safety, and superior concrete finish.

### STRUCTURAL STEEL WORKS

Supply, fabrication and installation of structural steel for industrial, commercial and infrastructure projects.

### WATERPROOFING WORKS

Waterproofing for foundation, basements, roofs, and wet areas using approved materials and methods.

### EARTHWORKS & SITE PREPARATION

Land clearing, leveling, excavation, compaction and site preparation for all types of projects.

### PAVING & SITE DEVELOPMENT

Interlocking, kerbs, road works, and external development to ensure durable and functional surfaces.

### BUILT ON SAFETY

We follow strict safety protocols to protect our people and deliver incident-free projects.

### ENGINEERED FOR QUALITY

Every project is executed with precision, tested for durability and built to last.

### DELIVERED ON COMMITMENT

We value our clients' trust and complete every project on time, every time.

## CIVIL & STRUCTURAL WORKS

### OUR WORK IN PROGRESS – EVERY STAGE, BUILT WITH CARE

From initial planning to final execution, we follow a systematic approach to ensure every structure is safe, strong and built to the highest standards of quality and durability.

**1. SITE CLEARING & EXCAVATION**  
Land clearing, excavation and leveling to prepare a solid foundation.

**2. FOUNDATION WORKS**  
PCC, footing, raft and pile foundation works with precision.

**3. REINFORCEMENT WORKS**  
Cutting, bending and fixing steel reinforcement as per structural drawings.

**4. FORMWORK & SHUTTERING**  
Installation of formwork systems ensuring strength, safety and accuracy.

**5. CONCRETE WORKS**  
RCC structures, columns, beams, slabs and shear walls with quality concreting.

**6. STRUCTURAL FRAME WORKS**  
Erection of columns, beams and slabs forming the main structural frame.

**7. MASONRY & BLOCKWORK**  
Brickwork, blockwork and partition walls with neat finishing.

**8. WATERPROOFING WORKS**  
Waterproofing for basements, roofs and wet areas using approved materials.

**9. PAVING & SITE DEVELOPMENT**  
Interlocking, kerbs, road works and external development for durable finishes.

**10. COMPLETION & QUALITY CHECK**  
Final inspection, quality assurance and handover with complete documentation.

**SAFETY FIRST**  
We prioritize the safety of our people and communities.

**QUALITY ASSURED**  
Every stage is executed with strict QA/QC procedures.

**EXPERIENCED TEAM**  
Skilled workforce and engineers delivering excellence.

**ON-TIME DELIVERY**  
Efficient planning and execution to meet commitments.

**CLIENT SATISFACTION**  
We build long term relationships through trust and performance.

# MEP – MECHANICAL, ELECTRICAL & PLUMBING

## INTEGRATED MEP SOLUTIONS

Hidayath Deccan Company delivers end-to-end MEP solutions that ensure comfort, safety, efficiency and reliability in every project. Our multidisciplinary team provides complete design support, supply, installation, testing and commissioning of Mechanical, Electrical and Plumbing systems in compliance with international standards and local authority requirements.

### SAFE INSTALLATION

We prioritize safety in every stage of work.

### QUALITY WORKMANSHIP

Delivered with precision and attention to detail.

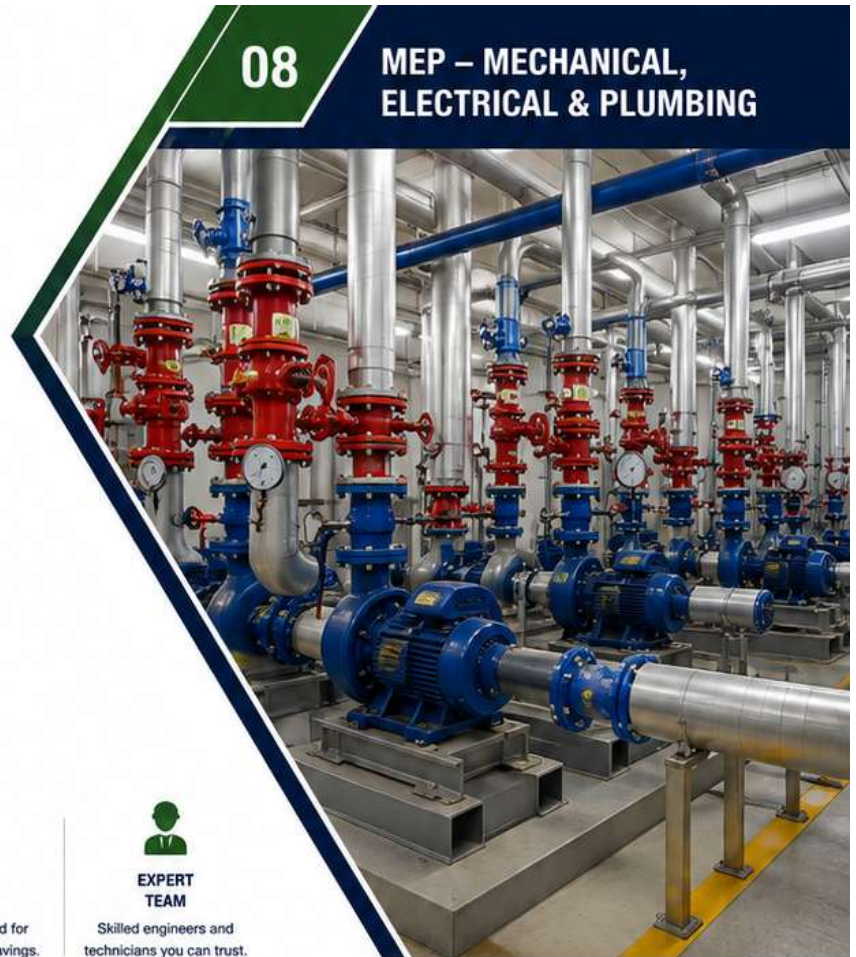

### ENERGY EFFICIENT

Solutions designed for performance and savings.

### EXPERT TEAM

Skilled engineers and technicians you can trust.

## OUR MEP CAPABILITIES

### MECHANICAL SYSTEMS

- ✓ HVAC Systems (Chilled Water, DX, VRF)
- ✓ Ventilation & Exhaust Systems
- ✓ Pumps & Pump Rooms
- ✓ Chilled Water & Condenser Water Systems
- ✓ Mechanical Piping (Steel, GI, Copper)
- ✓ Compressed Air & Vacuum Systems
- ✓ Fire Fighting Systems
- ✓ Smoke Management Systems
- ✓ Testing, Balancing & Commissioning

### ELECTRICAL SYSTEMS

- ✓ LV Power Distribution Systems
- ✓ Lighting & Power Systems
- ✓ Distribution Boards & Panel Boards
- ✓ Cable Tray, Ladder & Conduit Systems
- ✓ Structured Cabling & Data Systems
- ✓ Earthing & Lightning Protection
- ✓ Fire Alarm & Emergency Systems
- ✓ Generator & UPS Systems
- ✓ Testing, Inspection & Commissioning

### PLUMBING SYSTEMS

- ✓ Cold & Hot Water Supply Systems
- ✓ Sanitary Fixture & Fittings
- ✓ Drainage & Sewerage Systems
- ✓ Rainwater Drainage Systems
- ✓ Sump, Sewage & Booster Pumps
- ✓ Water Storage & Transfer Systems
- ✓ Piping, Valves & Accessories
- ✓ Testing, Flushing & Disinfection
- ✓ Leak Testing & Commissioning

## TYPICAL APPLICATIONS

Commercial  
Buildings

Industrial  
Facilities

Hospitals &  
Healthcare

Hotels &  
Hospitality

Educational  
Institutions

Warehouses &  
Logistics Parks

Infrastructure  
Projects

### SAFETY FIRST

We maintain the highest safety standards for our people and communities.

### QUALITY ASSURED

Every system is installed with strict QA/QC procedures.

### COMPLIANCE

All works comply with Saudi Codes, IEC, NFPA and other standards.

### ON-TIME DELIVERY

Efficient planning and execution to meet project schedules.

### CLIENT SATISFACTION

Long term relationships built on trust, reliability and performance.

## MEP WORKS – EVERY SYSTEM, EVERY DETAIL

We execute Mechanical, Electrical and Plumbing works with precision and professionalism. Our projects reflect our commitment to safety, quality and reliability at every stage of execution.

**01**

### HVAC & VENTILATION SYSTEMS

Ducting, air handling units, ventilation and exhaust systems installation.

**02**

### FIRE FIGHTING SYSTEMS

Fire fighting pipe network, pumps, valves and hydrant systems.

**03**

### PUMP ROOMS & BOOSTER SYSTEMS

Supply and installation of pumps, pressure boosting and control systems.

**04**

### MECHANICAL PIPING & VALVES

Chilled water, condenser water and service piping with high quality valves.

**05**

### ELECTRICAL PANELS & DBs

Installation of MDB, SMDB, DBs and control panels.

**06**

### CABLE TRAY & CABLE MANAGEMENT

Cable tray installation, structured cabling and proper cable management.

**07**

### POWER & LIGHTING INSTALLATION

Lighting fixtures, power points and conduit systems installed with care.

**08**

### PLUMBING & DRAINAGE SYSTEMS

Water supply, drainage, sewerage and rainwater systems installation.

**09**

### SANITARY FIXTURES & FITTINGS

Installation of sanitary ware, CP fittings and accessories.

**10**

### INTEGRATED MEP INSTALLATION

Coordination of Mechanical, Electrical and Plumbing systems.

**11**

### TESTING & COMMISSIONING

Testing, inspection and commissioning for reliable and efficient performance.

#### SAFETY FIRST

We follow strict safety protocols to protect our people and assets.

#### QUALITY ASSURED

Every system is installed with strict QA/QC procedures.

#### EXPERIENCED TEAM

Skilled engineers and technicians delivering excellence.

#### ON-TIME DELIVERY

Efficient planning and execution to meet project schedules.

#### CLIENT SATISFACTION

Long term relationships built on trust, reliability and performance.

# INFRASTRUCTURE & TELECOM WORKS

## CONNECTING TODAY, BUILDING TOMORROW

We deliver end-to-end infrastructure and telecom solutions that form the backbone of modern connectivity. Our services include civil works, telecom installations, fiber optic networks, structured cabling and supporting electrical systems — all executed with a strong commitment to quality, safety and long-term performance.

**TOWER FOUNDATION WORKS**
**EARTHWORKS & EXCAVATION**

**RELIABLE  
NETWORKS**

High performance systems for uninterrupted connectivity.

**SCALABLE  
SOLUTIONS**

Future-ready infrastructure that grows with your business.

**QUALITY  
INSTALLATION**

Standards-driven installation with attention to every detail.

**ONGOING  
SUPPORT**

Maintenance and support to ensure continuous performance.

**EQUIPMENT SHELTER CONSTRUCTION**

**SITE FENCING & GATE INSTALLATION**

## OUR CAPABILITIES

**TELECOM TOWER &  
SITE INFRASTRUCTURE**

- ✓ Site survey & feasibility
- ✓ Tower foundations
- ✓ Tower erection & installation
- ✓ Antenna & equipment installation
- ✓ Microwave link installation
- ✓ Site integration & handover

**CIVIL & SITE  
INFRASTRUCTURE**

- ✓ Site clearing & preparation
- ✓ Excavation & backfilling
- ✓ Concrete foundations & pads
- ✓ Access roads & pathways
- ✓ Drainage systems
- ✓ Fencing & gate installation

**UNDERGROUND DUCTING  
& CONDUITS**

- ✓ HDPE ducting systems
- ✓ Cable trenching & backfilling
- ✓ Manholes & chambers
- ✓ Marker tiles & warning tape
- ✓ Route mapping & documentation

**FIBER OPTIC  
INFRASTRUCTURE**

- ✓ Fiber optic backbone installation
- ✓ Splicing & termination
- ✓ OTDR testing & certification
- ✓ Patch panel & ODF installation
- ✓ FTTH / FTTB solutions

**STRUCTURED CABLING  
SYSTEMS**

- ✓ Data voice & communication cabling
- ✓ Rack & cabinet installation
- ✓ Cable management
- ✓ Labeling & documentation
- ✓ Testing & certification

**ELECTRICAL & POWER  
SUPPORT**

- ✓ Power distribution systems
- ✓ AC / DC power solutions
- ✓ DB, MCB & protection
- ✓ Lighting systems
- ✓ Power backup solutions

**EARTHING & LIGHTNING  
PROTECTION**

- ✓ Earthing system installation
- ✓ Lightning mast & down conductor
- ✓ Surge protection devices
- ✓ Testing & certification

**EQUIPMENT SHELTERS  
& ROOMS**

- ✓ Shelter & room construction
- ✓ Rack & equipment mounting
- ✓ HVAC & ventilation
- ✓ Access control systems
- ✓ Fire detection systems

**SITE DEVELOPMENT &  
ACCESSORIES**

- ✓ Concrete walkways & plinths
- ✓ Landscaping & finishing
- ✓ Signage & safety boards
- ✓ Waste management
- ✓ General civil works

**TESTING &  
COMMISSIONING**

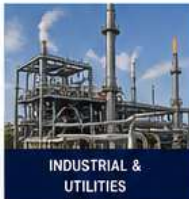

- ✓ System testing & integration
- ✓ Performance verification
- ✓ Documentation & as-built drawings
- ✓ Final commissioning & handover

## TYPICAL APPLICATIONS

**TELECOM TOWERS  
& BTS SITES**

**FIBER OPTIC  
NETWORKS**

**DATA CENTERS**

**INDUSTRIAL &  
UTILITIES**

**SMART BUILDINGS  
& CAMPUSES**

**GOVERNMENT &  
PUBLIC PROJECTS**

**COMMERCIAL  
DEVELOPMENTS**

**SAFETY FIRST**

We follow strict safety protocols to protect our people and assets.

**QUALITY ASSURED**

All works are executed as per international standards and QA/QC process.

**EXPERIENCED TEAM**

Skilled engineers and technicians with proven experience in complex projects.

**ON-TIME DELIVERY**

Efficient planning and execution to deliver projects on time, every time.

**CLIENT SATISFACTION**

Long term relationships built on trust, reliability and performance.

### WORKS IN ACTION – EVERY STAGE, EVERY DETAIL

From site preparation to commissioning, we deliver complete infrastructure and telecom solutions with precision and quality.

**01 SITE SURVEY & PLANNING**  
Site survey, feasibility study and planning for efficient project execution.

**02 EXCAVATION WORKS**  
Excavation for foundations, trenches and utility ducts as per design.

**03 FOUNDATION WORKS**  
Reinforcement, formwork and concrete works for tower and equipment foundations.

**04 FOUNDATION COMPLETION**  
Completed foundation with anchor bolts and curing for strength and durability.

**05 DUCTING & CONDUITS**  
Installation of HDPE ducts and conduits for power, telecom and fiber cables.

**06 CABLE PULLING**  
Pulling of power, telecom and fiber cables through ducts and conduits.

**07 FIBER OPTIC INSTALLATION**  
Splicing, termination and testing of fiber optic cables for high speed connectivity.

**08 TOWER ERECTION**  
Safe erection of telecom towers using cranes and skilled technical team.

**09 ANTENNA INSTALLATION**  
Installation of antennas, RRUs and microwave dishes at required heights.

**10 EQUIPMENT SHELTER SETUP**  
Construction and installation of equipment shelters and outdoor cabinets.

**11 ELECTRICAL & POWER SYSTEMS**  
Installation of power distribution, DBs, AC/DC systems and backup power solutions.

**12 EARTHING & LIGHTNING PROTECTION**  
Earthing system installation and lightning protection for safety and reliability.

**13 FENCING & SITE SECURITY**  
Installation of perimeter fencing, gates and security systems for site protection.

**14 CABLE MANAGEMENT**  
Cable tray installation, proper routing, labeling and management.

**15 TESTING & COMMISSIONING**  
Testing, integration and commissioning to ensure optimal performance.

**SAFETY FIRST**  
Strict adherence to HSE standards and safe work practices.

**QUALITY ASSURED**  
Quality materials and workmanship with rigorous QA/QC.

**EXPERIENCED TEAM**  
Skilled engineers and technicians ensuring excellent execution.

**ON-TIME DELIVERY**  
Efficient planning and execution to meet project timelines.

**CLIENT SATISFACTION**  
Committed to long term relationships and total client satisfaction.

### PROVEN EXPERIENCE. RELIABLE DELIVERY.

We successfully deliver infrastructure and telecom projects with precision, safety and quality. Below are some of our recent works.

**TELECOM SITE DEVELOPMENT**  
Complete site development with equipment shelters and fencing.

**TELECOM TOWER INSTALLATION**  
Installation of telecom towers with antennas and microwave dishes.

**SITE FENCING & SECURITY**  
Perimeter fencing, gates and security systems for telecom sites.

#### TELECOM TOWER & SITE INFRASTRUCTURE

**TOWER FOUNDATION WORKS**  
Excavation and reinforced concrete foundation for telecom towers.

**FOUNDATION REINFORCEMENT**  
Reinforcement, formwork and concrete pouring as per structural design.

**FOUNDATION COMPLETION**  
Completed foundation with anchor bolts ready for tower erection.

**TOWER ERECTION**  
Erection of tower sections using crane and safety equipment.

**ANTENNA & RRU INSTALLATION**  
Installation of antennas, RRUs and microwave dishes.

#### UNDERGROUND & CABLING WORKS

**DUCTING INSTALLATION**  
Installation of HDPE ducts for power, telecom and fiber optic cables.

**FIBER OPTIC SPLICING**  
Fiber optic splicing, termination and testing for reliable connectivity.

**CABLE TRAY INSTALLATION**  
Cable tray installation and route management at site.

**CABLE PULLING & LAYING**  
Pulling and laying of power, telecom and fiber optic cables.

**STRUCTURED CABLING**  
Structured cabling for voice, data and communication systems.

#### ELECTRICAL, EARTHING & POWER INFRASTRUCTURE

**ELECTRICAL & POWER SYSTEMS**  
Installation of power distribution panels and electrical systems.

**EARTHING SYSTEM**  
Earthing system installation for equipment and lightning protection.

**SURGE PROTECTION**  
Surge protection devices for equipment and power lines.

**POWER BACKUP SOLUTIONS**  
DG sets and UPS systems for uninterrupted power supply.

**EQUIPMENT ROOM / SHELTER**  
Construction of equipment shelters and telecom rooms.

#### TESTING, COMMISSIONING & HANDOVER

**TESTING & INSPECTION**  
Testing and inspection of systems as per industry standards.

**FIBER OPTIC TESTING**  
OTDR testing and certification for fiber optic links.

**SYSTEM COMMISSIONING**  
Commissioning of telecom equipment and system integration.

**FINAL SITE HANDOVER**  
Final checks and handover of complete site in client-ready condition.

**DOCUMENTATION & REPORTING**  
As-built drawings, test reports and documentation handover.

**SAFETY FIRST**  
We follow strict safety standards and best practices.

**QUALITY ASSURED**  
Commitment to quality in every stage of the project.

**EXPERIENCED TEAM**  
Skilled engineers and technicians delivering excellence.

**ON-TIME DELIVERY**  
Efficient planning and on-time completion of projects.

**CLIENT SATISFACTION**  
Long term relationships built on trust, reliability and performance.

## ARCHITECTURAL, FINISHING & FIT-OUT WORKS

**DESIGN VISION. QUALITY FINISH.  
SPACES THAT INSPIRE.**

We deliver complete architectural, finishing and fit-out solutions that bring ideas to life and spaces to perfection. From structural surfaces to the final decorative touch, our works combine craftsmanship, materials and modern techniques to create functional, elegant and lasting environments for commercial, industrial and residential projects.

### QUALITY CONSTRUCTION

Built with quality materials and skilled workmanship for long-lasting results.

### AESTHETIC EXCELLENCE

Modern designs and finishes that enhance every space.

### END-TO-END SOLUTIONS

From concept to completion, we manage every detail and deliver on time.

### SAFETY COMMITMENT

Strict adherence to HSE standards for a safe and secure work environment.

### OUR APPROACH

- ✓ Understanding client requirements
- ✓ Smart planning and value engineering
- ✓ Skilled execution and quality control
- ✓ Timely delivery with attention to detail
- ✓ Post-completion support

### OUR SCOPE OF WORKS

#### MASONRY & BLOCKWORK

- ✓ Brick & block wall construction
- ✓ AAC / lightweight blockwork
- ✓ Structural & non-structural walls

#### PLASTERING & RENDERING

- ✓ Internal & external plastering
- ✓ Screed works & surface leveling
- ✓ Smooth and textured finishes

#### CEILING & PARTITIONS

- ✓ Gypsum board ceilings
- ✓ Metal / gypsum partitions
- ✓ Acoustic & decorative ceilings

#### FLOORING & TILING

- ✓ Ceramic, porcelain & marble tiles
- ✓ Granite, natural stone & skirting
- ✓ Epoxy & specialized flooring

#### PAINTING & FINISHES

- ✓ Internal & external painting
- ✓ Emulsion, enamel & texture
- ✓ Decorative & feature finishes

#### DOORS & HARDWARE

- ✓ Wooden, metal & fire-rated doors
- ✓ Frames, locks & accessories
- ✓ Specialized door solutions

#### GLAZING & ALUMINIUM

- ✓ Aluminium doors & windows
- ✓ Curtain walls & glass partitions
- ✓ Tempered & laminated glass

#### JOINERY & MILLWORK

- ✓ Custom cabinetry & wardrobes
- ✓ Countertops & reception desks
- ✓ Wooden cladding & paneling

#### WATERPROOFING WORKS

- ✓ Roof & bathroom waterproofing
- ✓ Basements & podium waterproofing
- ✓ Protective coatings & membranes

#### COMPLETE FIT-OUT WORKS

- ✓ MEP coordination & integration
- ✓ Furniture, fixtures & equipment
- ✓ Turnkey interior fit-out solutions

### TYPICAL APPLICATIONS

### WORKS IN ACTION – FROM START TO PERFECTION

Every project follows a proven process to ensure quality, precision and timely delivery.

#### 01 SITE PREPARATION

Site clearing, setting out and preparation to ensure a strong start for quality construction.

#### 02 MASONRY & BLOCKWORK

High quality blockwork and brick masonry for durable and strong structures.

#### 03 PLASTERING & RENDERING

Internal & external plastering with smooth finishes and proper surface preparation.

#### 04 CEILINGS & PARTITIONS

Gypsum board ceilings, metal stud partitions and acoustic solutions for modern interiors.

#### 05 FLOORING & TILING

Installation of premium tiles, marble, granite and specialized flooring with exact finishing.

#### 06 PAINTING WORKS

High quality painting with top-grade materials for long lasting and elegant finishes.

#### 07 DOORS & HARDWARE

Installation of wooden, metal and fire-rated doors with quality hardware.

#### 08 GLAZING & ALUMINIUM

Aluminium doors, windows and glass partitions for stylish and functional spaces.

#### 09 JOINERY & MILLWORK

Custom cabinetry, wardrobes, countertops and woodwork with fine detailing.

#### 10 WATERPROOFING

Roof, bathroom and basement waterproofing for protection and long-term durability.

#### 11 MEP & SERVICE INSTALLATION

Installation of electrical, HVAC, plumbing and fire protection systems.

#### 12 FINAL FINISH & COMPLETION

Final inspection, cleaning and finishing touches to deliver ready-to-use spaces.

### OUR COMMITMENT AT EVERY STAGE

**QUALITY MATERIALS**  
We use tested and approved materials to ensure durability.

**SKILLED WORKFORCE**  
Experienced craftsmen and supervisors ensure perfect workmanship.

**QUALITY CONTROL**  
Regular inspections at every stage for consistent quality.

**ON-TIME DELIVERY**  
Efficient planning and execution to complete projects on time.

**SAFETY FIRST**  
Strict adherence to HSE standards for a safe work environment.

**CLIENT SATISFACTION**  
We focus on client needs and deliver beyond expectations.

## INTERIOR FIT-OUT WORKS DETAILS & INSTALLATION

We transform interior spaces into functional, beautiful and inspiring environments through expert craftsmanship, quality materials and attention to every detail.

**EXPERT CRAFTSMANSHIP**  
Skilled professionals delivering precision and superior finishes.

**QUALITY MATERIALS**  
Premium materials for durability, aesthetics and performance.

**ATTENTION TO DETAIL**  
Every joint, edge and finish executed with care and accuracy.

**TIMELY INSTALLATION**  
Efficient planning and execution to meet project deadlines.

### OUR INTERIOR FIT-OUT SOLUTIONS

| GYPSUM & FALSE CEILINGS                                                                                                                                                                       | WALL PARTITIONS                                                                                                                                                                                    | WALL FINISHES                                                                                                                                                                                             | FLOORING SOLUTIONS                                                                                                                                                                                    | TILING WORKS                                                                                                                                                                                                | PAINTING & FINISHES                                                                                                                                                                                  |

## TRANSFORMING SPACES. DELIVERING EXCELLENCE.

From concept to completion, we deliver fully integrated architectural and fit-out solutions with precision, quality and attention to detail.

#### END-TO-END SOLUTIONS

Complete services from design intent to handover.

#### QUALITY CRAFTSMANSHIP

Skilled professionals and premium materials.

#### ON-TIME DELIVERY

Efficient planning and timely project execution.

#### CLIENT SATISFACTION

Commitment to exceed expectations every time.

### PROJECT 01

#### COMMERCIAL OFFICE INTERIORS

- ✓ Complete interior fit-out
- ✓ Glass partitions & doors
- ✓ Gypsum ceilings & lighting
- ✓ Custom joinery & furniture
- ✓ MEP coordination

#### BEFORE (SHELL)

#### DURING (CONSTRUCTION)

#### COMPLETED (FINISHED SPACE)

### PROJECT 02

#### RETAIL SHOWROOM

- ✓ Premium finishes & detailing
- ✓ Feature ceilings & lighting
- ✓ Display units & counters
- ✓ Flooring & wall finishes
- ✓ Complete MEP works

### PROJECT 03

#### RESIDENTIAL INTERIORS

- ✓ Gypsum ceilings & cove lighting
- ✓ Wall finishes & accent walls
- ✓ Joinery, wardrobes & doors
- ✓ Flooring, tiling & skirting
- ✓ Painting & final finishes

### PROJECT 04

#### HOSPITALITY RECEPTION AREA

- ✓ Luxury finishes & materials
- ✓ Feature wall & lighting
- ✓ Custom reception counter
- ✓ Flooring & wall cladding
- ✓ MEP & lighting integration

### OUR COMMITMENT ON EVERY PROJECT

#### SAFETY FIRST

Strict adherence to safety standards and site regulations.

#### QUALITY ASSURED

Rigorous quality control at every stage of construction.

#### SKILLED TEAM

Experienced architects, engineers and craftsmen delivering excellence.

#### ON-TIME DELIVERY

Efficient execution and effective project management.

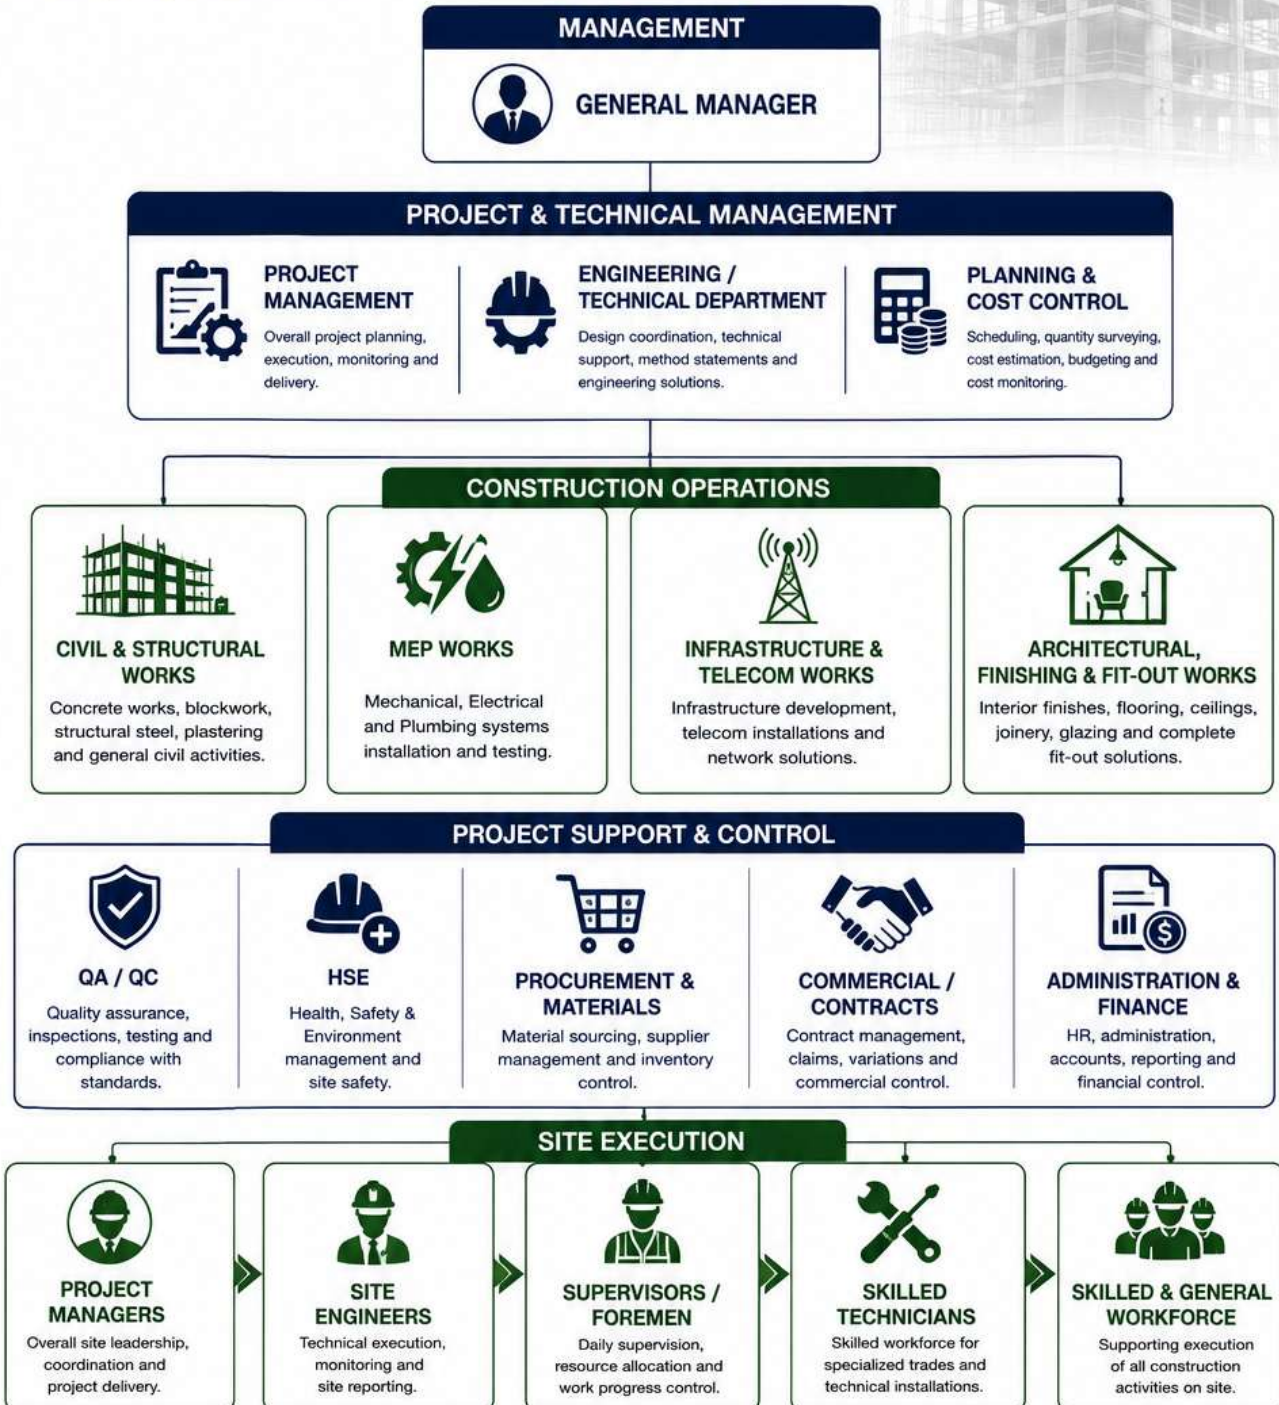

#### CLIENT FOCUS

Transparent communication and solutions tailored to client needs.

**A STRONG STRUCTURE. CLEAR ROLES. SUCCESSFUL PROJECTS.**

Our organizational structure ensures efficient management, clear responsibility and seamless execution of projects with quality, safety and professionalism.

**SAFETY FIRST**  
Committed to a safe and healthy work environment.

**QUALITY ASSURED**  
Delivering quality in every process and activity.

**TEAMWORK**  
Collaborative teams working together for success.

**ON-TIME DELIVERY**  
Efficient planning and execution to meet project deadlines.

**CLIENT SATISFACTION**  
Focused on exceeding expectations and building trust.

Our experienced and skilled workforce is the foundation of our success. We have the right team, with the right competency, to deliver projects safely, on time and with uncompromised quality.

## OUR CONTRACTING CAPABILITIES

We deliver end-to-end construction and engineering solutions with a focus on quality, safety, innovation and timely delivery.

### OUR KEY DIFFERENTIATORS

#### QUALITY

Committed to delivering top-quality standards in every project.

#### SAFETY

Safety is our top priority across all operations.

#### EXPERIENCED TEAM

Skilled professionals with extensive industry experience.

#### INNOVATION

Adopting modern technology and best industry practices.

#### INTEGRITY

Built on trust, transparency and ethical business practices.

#### DELIVERY

On-time delivery with strong focus on client satisfaction.

### OUR RESOURCES & CAPACITY

Qualified Engineers **45+**

Skilled Workforce **350+**

Equipment & Machinery **120+**

Projects Executed **100+**

Offices & Facilities **3**

### OUR QUALITY ASSURANCE

We implement a robust Quality Management System in line with international standards.

Rigorous inspection, testing and quality control processes at every stage.

Use of approved materials and qualified subcontractors.

Continuous monitoring and improvement to ensure excellence in deliverables.

### OUR HSE COMMITMENT

We are committed to protecting people, property and the environment through a proactive HSE culture.

Zero Harm Goal

HSE Training & Awareness

Regular Inspections & Audits

Environmental Responsibility

### OUR PROJECT DELIVERY APPROACH

Understand Client Needs

Plan & Design

Execute Safely

Monitor & Control

Deliver & Support

A structured approach ensuring quality, safety, time and cost efficiency.

**100+**  
PROJECTS  
EXECUTED

**350+**  
SKILLED  
WORKFORCE

**120+**  
EQUIPMENT &  
MACHINERY

### SKILLED PEOPLE. TECHNICAL EXPERTISE. PROJECT-READY CAPACITY.

Our strength lies in our people. With a total capacity of **178 professionals** across multiple disciplines, we deliver safe, high-quality and efficient solutions across all project stages.

**178**  
TOTAL MANPOWER  
CAPACITY

**4**  
CORE CONSTRUCTION  
DISCIPLINES

**ENGINEERING  
+ SUPERVISION**  
Experienced engineers  
and project managers

**SKILLED TRADES  
+ SITE SUPPORT**  
Skilled workforce and  
support staff for  
seamless execution

### OUR PEOPLE. OUR STRENGTH.

#### EXPERIENCED & COMPETENT TEAM

Qualified engineers, supervisors and skilled workforce with proven project experience.

#### MULTI-DISCIPLINE WORKFORCE

Strong capability across civil, MEP, infrastructure, telecom and finishing trades.

#### PROJECT-READY CAPACITY

Adequate manpower and resources to mobilize quickly and perform efficiently.

#### QUALITY & SAFETY FOCUSED

Committed to quality standards, safe practices and continuous improvement.

#### COMMITMENT TO DELIVERY

Dedicated to delivering projects on time, within budget and beyond expectations.

### OUR WORKFORCE CAPABILITY

#### ENGINEERING & MANAGEMENT

Project managers, engineers and planners ensure effective planning, coordination and control from start to finish.

#### SKILLED TECHNICAL WORKFORCE

Skilled tradesmen for civil, mechanical, electrical, plumbing, finishing and specialized installations.

#### SITE EXECUTION TEAM

Supervisors and technical teams ensure high productivity, quality and timely execution on site.

#### QUALITY ASSURANCE TEAM

Dedicated QA/QC professionals for inspection, testing, documentation and compliance.

#### HSE TEAM

Trained HSE officers promote a safe and healthy work environment with zero-compromise approach.

#### SUPPORT SERVICES

Administration, procurement, logistics and support staff ensure smooth operations and project success.

### WHAT THIS MEANS FOR OUR CLIENTS

Reliable and sufficient manpower for projects of any scale

Improved productivity and efficient use of resources

Consistent quality, safety and on-time delivery

One committed team working as an extension of your organization

Reduced risk, better control and greater value for investment

### DELIVERING QUALITY THROUGH EXPERTISE, EXPERIENCE AND TEAMWORK

Our skilled workforce brings technical knowledge, practical experience and a commitment to excellence to every project we deliver.

**178**  
TOTAL MANPOWER

**4**  
CORE CONSTRUCTION  
DISCIPLINES

**QUALITY**  
IN EVERY DETAIL

#### 1 CIVIL & STRUCTURAL TEAM

- ✓ Concrete works, reinforcement and formwork
- ✓ Masonry, blockwork and plastering
- ✓ Excavation, backfilling and compaction
- ✓ Structural steel fabrication and erection
- ✓ Waterproofing and protective works
- ✓ All types of civil and structural activities

#### 2 MEP TEAM

- ✓ HVAC installation and ducting
- ✓ Electrical installation (LV/MV, wiring, panels)
- ✓ Plumbing, drainage and sanitary systems
- ✓ Fire fighting systems (piping, pumps, sprinklers)
- ✓ Mechanical piping and equipment installation
- ✓ Testing, commissioning and handover

#### 3 INFRASTRUCTURE & TELECOM TEAM

- ✓ Telecom tower foundations and erection
- ✓ Ducting, cabling and fiber optic installation
- ✓ Power systems and earthing
- ✓ Civil works for telecom sites
- ✓ Electrical and lighting systems
- ✓ Testing, integration and site handover

#### 4 ARCHITECTURAL, FINISHING & FIT-OUT TEAM

- ✓ Gypsum walls, ceilings and partitions
- ✓ Flooring, tiling, marble and stone works
- ✓ Painting, texture and decorative finishes
- ✓ Aluminium, glazing and door works
- ✓ Joinery, carpentry and custom woodwork
- ✓ Complete interior fit-out solutions

#### 5 ENGINEERING & SUPERVISION TEAM

- ✓ Project management and planning
- ✓ Engineering design and technical coordination
- ✓ Method statements and shop drawings
- ✓ Site supervision and progress monitoring
- ✓ Resource allocation and productivity control
- ✓ Reporting, documentation and close-out

#### 6 QA / QC & HSE TEAM

- ✓ Quality assurance and quality control
- ✓ Inspection, testing and commissioning
- ✓ Safety management and risk assessment
- ✓ Toolbox talks and safety training
- ✓ HSE monitoring and compliance
- ✓ Documentation and record keeping

### EQUIPPED TO DELIVER

# EQUIPMENT, RESOURCES & MOBILIZATION

## CAPABILITY OVERVIEW

**THE RIGHT EQUIPMENT.  
THE RIGHT RESOURCES.  
AT THE RIGHT TIME.**

We maintain a strong fleet of construction plant, modern tools, testing equipment and support resources to deliver projects efficiently, safely and on schedule.

**EQUIPPED TO EXECUTE. READY TO MOBILIZE.**

### WELL PLANNED & COORDINATED

Efficient planning and resource allocation for every project.

### RELIABLE & WELL MAINTAINED

Regular inspection and maintenance to ensure optimum performance.

### TIMELY MOBILIZATION

Quick mobilization and deployment to meet project needs.

### EXPERIENCED MANPOWER

Skilled and trained teams to operate equipment and deliver results.

## OUR KEY EQUIPMENT & RESOURCE CAPABILITIES

### CONSTRUCTION PLANT & MACHINERY

- Excavators, Backhoes
- Wheel Loaders, Skid Steers
- Dump Trucks & Tipper
- Cranes & Lifting Equipment

### CIVIL WORKS EQUIPMENT

- Compactors & Rollers
- Concrete Mixers & Pumps
- Vibrators & Cutters
- Formwork & Shoring Systems

### MEP TOOLS & EQUIPMENT

- Pipe Threading & Bending
- Welding & Fabrication Tools
- HVAC Installation Tools
- Plumbing & Testing Equipment

### TELECOM INSTALLATION EQUIPMENT

- Tower Erection Tools
- Fiber Optic Splicing Kits
- Cable Pulling & Testing Tools
- RF & Network Test Equipment

### POWER TOOLS & SPECIALIZED TOOLS

- Drills Grinders & Saws
- Torque Wrenches & Ratchets
- Cutting, Drilling & Coring
- Specialty & Hand Tools

### TESTING & MEASURING INSTRUMENTS

- Total Stations & Levels
- Laser Distance Meters
- Concrete Test Equipment
- Electrical Test Instruments

### VEHICLES & SITE TRANSPORTATION

- Pickup Trucks & 4x4's
- Flatbeds & Transporters
- Fuel Browsers & Water Trucks
- Personnel Transportation

### MATERIAL HANDLING EQUIPMENT

- Forklifts & Pallet Jacks
- Hoists & Winches
- Slings, Chains & Shackles
- Scaffolding & Ladders

### TEMPORARY SITE FACILITIES

- Site Offices & Cabins
- Storage Containers
- Generators & Lighting Towers
- Water Supply & Sanitation

### PPE & SAFETY EQUIPMENT

- Helmets, Safety Shoes
- Hi-Vis Vests & Gloves
- Fall Protection Equipment
- Fire Safety & First Aid

## OUR MOBILIZATION PROCESS

### PROJECT AWARD

Review scope, requirements and site conditions.

### RESOURCE PLANNING

Prepare detailed resource and equipment plan.

### EQUIPMENT ALLOCATION

Allocate and schedule required equipment.

### MANPOWER DEPLOYMENT

Deploy skilled manpower as per project plan.

### SITE ESTABLISHMENT

Mobilize site facilities, utilities and logistics.

### MATERIAL MOBILIZATION

Procure and mobilize materials to site.

### EXECUTION READY

All resources in place to start execution.

### SAFETY FIRST

Committed to zero harm and safe working environment.

### QUALITY ASSURED

Quality equipment and processes ensure project excellence.

### ON-TIME DELIVERY

Efficient planning and mobilization for timely project completion.

### RELIABLE PARTNER

Trusted by clients for consistent performance and commitment.

### COST EFFECTIVE

Optimized resources for maximum efficiency and value.

# EQUIPMENT, RESOURCES & MOBILIZATION WORKS IN ACTION

**MODERN EQUIPMENT. SKILLED OPERATORS. SAFE EXECUTION.**

## 1. EARTHMOVING & HEAVY EQUIPMENT

- Excavators, Wheel Loaders
- Backhoes, Dozers
- Dump Trucks & Tipper
- Graders & Road Machinery

## 2. LIFTING & HOISTING EQUIPMENT

- Mobile Cranes (25T – 200T)
- Tower Cranes
- Chain Blocks, Lever Blocks
- Web Slings, Shackles, Lifting Gear

## 3. CONCRETE & CONSTRUCTION EQUIPMENT

- Concrete Mixers, Pumps
- Vibrators, Compactors
- Cutters, Bending & Bar Cutting
- Formwork & Scaffolding Systems

## 4. MEP INSTALLATION EQUIPMENT

- Pipe Threading & Grooving
- Welding Machines & Generators
- HVAC Tools & Test Equipment
- Plumbing, Fire Fighting Tools

## 5. TELECOM & NETWORK EQUIPMENT

- Fiber Splicing & OTDR
- Cable Pulling & Blowing Machines
- RF Test & Alignment Tools
- Ladders, Safety Harness & Kits

## 6. POWER TOOLS & HAND TOOLS

- Drills, Grinders, Saws
- Hammer Drills & Breakers
- Torque Wrenches & Ratchets
- Hand Tools & Tool Kits

## 7. TESTING & MEASURING INSTRUMENTS

- Total Stations & Levels
- Laser Distance Meters
- Clamp Meters, Insulation Testers
- Concrete Test Hammers & Others

## 8. VEHICLES & FLEET RESOURCES

- Pickup Trucks & 4x4's
- Flatbeds & Transporters
- Water Tankers & Fuel Bowsers
- Personnel Transportation

## 9. MATERIAL HANDLING EQUIPMENT

- Forklifts (2.5T – 77T)
- Pallet Jacks & Hand Trolleys
- Hoists, Winches & Jacks
- Material Storage Racks

## 10. SITE FACILITIES & SUPPORT RESOURCES

- Site Offices, Cabins & Toilets
- Storage Containers & Shelters
- Generators, Lighting Towers
- Water Supply & Sanitation

## SAFETY FIRST

We prioritize safety at every step with the right PPE and safety equipment for our people.

Safety Helmets

Hi-Vis Vest

Safety Shoes

Safety Gloves

Safety Harness

Safety Goggles

Fall Protection

Fire Extinguishers

## RAPID & EFFICIENT MOBILIZATION

With well-planned resources, modern equipment and experienced teams, we mobilize quickly and are ready to deliver from day one.

### 1 RESOURCE PLANNING

Detailed planning of manpower, equipment and materials.

### 2 EQUIPMENT PREPARATION

Inspection, servicing and testing for peak performance.

### 3 TRANSPORT & LOGISTICS

Safe transportation of equipment and materials to site.

### 4 SITE ESTABLISHMENT

Setting up site facilities, utilities and safety arrangements.

### 5 MANPOWER DEPLOYMENT

Skilled teams deployed and briefed for safe execution.

### 6 EXECUTION READY

All systems in place. Ready to execute safely and efficiently.

### WELL MAINTAINED

Regular maintenance ensures reliability and longer life.

### QUALITY ASSURED

High quality equipment for precise and efficient performance.

### COST & TIME EFFICIENT

Right resources at the right time to keep projects on schedule and budget.

### SAFE & COMPLIANT

Compliant with safety standards and client requirements.

### RELIABLE SUPPORT

Strong support system to ensure uninterrupted project execution.

Riyadh, Kingdom of  
Saudi Arabia

+966 11 403 2946

info@hidayathdeccan.com

www.hidayathdeccan.com

Our proven project execution methodology ensures every project is delivered **safely, on time, within budget** and to the **highest quality standards**. We combine planning, expertise, technology and disciplined execution to create value for our clients.

### OUR 10-STEP PROJECT EXECUTION PROCESS

### MANAGEMENT CONTROLS ACROSS ALL STAGES

### OUR METHODOLOGY PRINCIPLES

## WE PLAN. WE EXECUTE. WE DELIVER EXCELLENCE.

Our disciplined methodology, skilled teams and strong resources enable us to successfully deliver projects of any size and complexity.

**HIDAYATH  
DECCAN**  
— COMPANY —

# PROJECT EXECUTION METHODOLOGY SITE EXECUTION & CONTROL

DISCIPLINED EXECUTION. CONTINUOUS CONTROL. DELIVERING EXCELLENCE.

Our on-site methodology is built on planning, coordination, quality and safety.  
Every activity is monitored, measured and controlled to ensure the project  
is delivered **on time, within budget** and to the **highest standards**.

## 01 PLANNING & COORDINATION

- Kick-off meeting with all stakeholders
- Review scope, drawings and contracts
- Define work plan, interfaces & milestones
- Risk assessment and method statements
- Resource and logistics coordination

## 02 MOBILIZATION & SITE ESTABLISHMENT

- Deploy manpower, equipment & tools
- Site survey and setting out
- Site offices, stores, utilities & facilities
- Safety signage and barricading
- Induction and toolbox briefing

## 03 CIVIL CONSTRUCTION WORKS

- Excavation, concrete, formwork
- Rebar fixing and structural works
- Masonry, blockwork and plastering
- Backfilling and compaction
- Daily progress and quality checks

## 04 MEP INSTALLATION WORKS

- Mechanical, piping & HVAC works
- Electrical installation & cabling
- Plumbing & sanitary systems
- Fire fighting & fire alarm systems
- System integration & coordination

## 05 TELECOM & IT INFRASTRUCTURE

- Tower erection & foundation works
- Fiber optic laying & splicing
- RF, power & grounding systems
- Termination, testing & labeling
- Documentation & as-built records

## 06 ARCHITECTURAL & FIT-OUT WORKS

- Gypsum, ceilings and partitions
- Flooring, tiling, marble and skirting
- Painting, texture and wall finishes
- Aluminum, glazing and doors
- Joinery, carpentry and fixtures

## 07 QA / QC INSPECTION & TESTING

- Inspections as per ITP & checklists
- Material verification & traceability
- Dimensional and visual checks
- Hold points and witness points
- Non-conformance reporting (NCR)

## 08 TESTING & COMMISSIONING

- System testing and pre-commissioning
- Functional testing of all systems
- Integrated system commissioning
- Performance verification
- Client demonstration & training

## 09 SNAGGING & RECTIFICATION

- Snag list preparation with client
- Rectification and re-inspection
- Close-out of all open items
- Final quality verification
- Handover readiness confirmation

## 10 FINAL HANDOVER & CLOSE-OUT

- Handover of as-builts & O&M manuals
- Training of client operations team
- Final documentation submission
- Performance warranty follow-up
- Project close-out and lessons learned

### CROSS-CUTTING CONTROLS ACROSS ALL STAGES

#### HSE CONTROL

Zero harm objective.  
Safe systems, PPE,  
permits and regular  
site inspections.

#### QUALITY CONTROL

Implement quality  
plans, inspections  
and continuous  
improvement.

#### SCHEDULE CONTROL

Baseline schedule,  
progress tracking  
and proactive  
recovery actions.

#### COST CONTROL

Budget monitoring,  
cost tracking and  
resource utilization  
management.

#### DOCUMENTATION

Accurate records,  
daily reports,  
checklists, as-builts  
and close-out files.

#### CLIENT COMMUNICATION

Regular updates,  
meetings and  
transparent  
coordination.

### TOOLS, TECHNOLOGY & DIGITAL MONITORING

#### BIM & 3D COORDINATION

Clash detection,  
coordination and  
constructability  
improvements.

#### PROGRESS MONITORING

Look-ahead plans,  
S-curves, dashboards  
and milestone  
tracking.

#### SITE REPORTING

Digital checklists,  
daily reports,  
photos and real-time  
updates.

#### MATERIAL TRACKING

Inspection, labeling,  
traceability and  
inventory control.

#### DOCUMENT CONTROL

Centralized storage,  
version control and  
secure access to  
project documents.

#### COMMUNICATION

Integrated communication  
platform for fast,  
effective and timely  
coordination.

### OUR COMMITMENT ON EVERY PROJECT

- ✓ Deliver safe, high-quality and reliable projects
- ✓ Execute with integrity, discipline and accountability
- ✓ Meet commitments on time and within budget
- ✓ Build long-term relationships through performance and trust

**PLANNED WITH PRECISION.  
EXECUTED WITH PASSION.  
DELIVERED WITH PRIDE.**

Riyadh, Kingdom of  
Saudi Arabia

info@hidayathdeccan.com

www.hidayathdeccan.com

### QUALITY PLANNED. QUALITY CONTROLLED. QUALITY DELIVERED.

At Hidayath Deccan Company, quality is at the core of everything we do. Our integrated QA/QC system ensures that all activities comply with client requirements, international standards and best industry practices to deliver durable, safe and reliable projects, every time.

#### COMMITMENT

Committed to deliver defect-free work and exceed client expectations.

#### COMPETENT TEAM

Experienced QA/QC professionals with technical expertise and site presence.

#### STANDARD DRIVEN

Systems aligned with ISO 9001:2015 and client/contract requirements.

#### CONTINUOUS IMPROVEMENT

We learn, improve and enhance our processes continuously.

### OUR QA/QC MANAGEMENT SYSTEM

#### 01 QUALITY PLANNING

- Develop Quality Plan specific to each project
- Define quality objectives and measurable targets
- Identify applicable codes, standards & specifications
- Define roles, responsibilities and communication
- Establish inspection, test and hold points

#### 02 MATERIAL APPROVAL

- Approve manufacturers and suppliers
- Review material submittals, datasheets & certificates
- Ensure compliance with specifications & standards
- Maintain approved vendor and material lists

#### 03 METHOD STATEMENTS & RISK ASSESSMENT

- Review and approve method statements for all activities
- Assess risks and define control measures
- Ensure safe and quality execution methodology
- Communicate and train teams on approved methods

#### 04 INSPECTION & TEST PLANS (ITP)

- Develop ITPs for all work packages
- Define inspection, test and hold points
- Specify acceptance criteria & responsibilities
- Align ITPs with project schedule and quality plan

#### 05 INCOMING MATERIAL INSPECTION

- Verify delivered materials against approved documents
- Check quantity, condition, marking and traceability
- Witness and verify mill certificates and reports
- Record results and release for use only after approval

#### 06 WORK INSPECTION REQUESTS (WIR)

- Contractor raises WIR for each hold/test point
- QA/QC reviews and verifies before inspection
- Document inspection results and status
- Proceed only after QA/QC approval

#### 07 TESTING & VERIFICATION

- Carry out testing as per approved ITPs
- Use calibrated and approved equipment
- Verify by qualified personnel/laboratories
- Ensure compliance with acceptance criteria

#### 08 NCR & CORRECTIVE ACTION

- Raise Non-Conformance Reports (NCR)
- Investigate root cause
- Recommend corrective and preventive actions
- Implement, verify and close-out NCRs

#### 09 DOCUMENTATION & RECORD CONTROL

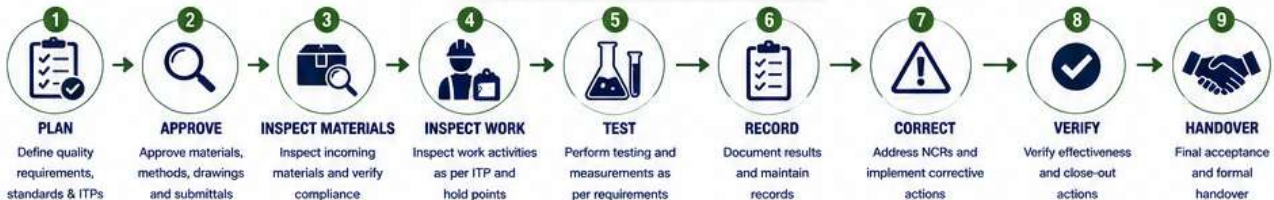

- Maintain accurate and up-to-date QA/QC records
- Inspection/test reports, certificates & traceability
- Ensure proper filing, backup and confidentiality
- Easy retrieval for audits, reviews & handover

#### 10 FINAL INSPECTION & HANDOVER

- Conduct final inspection with client/consultant
- Ensure all punch items are closed
- Submit quality dossier and O&M documents
- Formal handover of a quality assured project

### OUR QA/QC PROCESS FLOW

#### QUALITY ASSURANCE PRINCIPLES

- RIGHT FIRST TIME**  
We do it right the first time to minimize rework and add value.
- PREVENTION OVER DETECTION**  
We focus on preventing defects through planning and controls.
- DATA DRIVEN DECISIONS**  
We use facts, measurements and analysis to drive quality.
- EVERYONE RESPONSIBLE**  
Quality is the responsibility of every team member.

#### APPLICABLE STANDARDS

- ISO 9001:2015 – Quality Management System
- ISO 14001 – Environmental Management
- ISO 45001 – Occupational Health & Safety
- ASTM, BS, EN, ACI, ASME, NEC, IEC
- Client Specifications & Project Requirements

#### OUR QUALITY PROMISE

We are committed to delivering projects that meet the highest standards of quality, safety, reliability and client satisfaction.

**WE INSPECT. WE TEST. WE VERIFY. WE DOCUMENT.**

Rigorous inspection and testing at every stage ensure compliance, quality and reliability of our work.

**VERIFY**  
Every Activity

**ENSURE**  
Compliance

**MAINTAIN**  
Quality

**RECORD**  
Every Detail

**DELIVER**  
Excellence

### CIVIL & STRUCTURAL INSPECTIONS

- Rebar size, spacing and cover check
- Formwork, concreting and finish inspection
- Concrete slump, cube and cylinder testing
- Masonry, blockwork and plaster inspection
- Structural dimensional and level checks
- Waterproofing and coating inspection

### MEP SYSTEMS INSPECTIONS & TESTING

- Piping alignment, support & leak test
- Ductwork installation and air tightness test
- Electrical cable sizing and termination check
- Insulation thickness and continuity check
- HVAC system functional testing
- Plumbing, drainage and pressure test
- Firefighting system testing & commissioning

### INFRASTRUCTURE & TELECOM INSPECTIONS

- Fiber optic cable installation & testing
- OTDR test and insertion loss verification
- RF system alignment & VSWR test
- Equipment installation & grounding check
- Network performance & continuity test
- Documentation and test reports

### ARCHITECTURAL & FIT-OUT INSPECTIONS

- Tile, stone and flooring inspection
- Painting and surface finish inspection
- Ceiling, carpentry and joinery check
- Glazing, metal works and hardware check
- Dimensional accuracy and alignment
- Aesthetic and functional inspection

### TESTING EQUIPMENT & TOOLS

Compression Testing Machine

Total Station & Auto Level

Concrete Test Hammer & Rebound

Multimeter & Insulation Tester

Clamp Meter & Earth Tester

Air Flow & Duct Tester

OTDR & Fiber Test Kit

Gas Analyzer & Environmental Meter

### DOCUMENTATION & RECORD KEEPING

Inspection Request & Checklists

Material Test Certificates (MTC)

ITP, Method Statements & Risk Assessments

Daily Inspection Reports (DIR)

Calibration Certificates

NCR & Corrective Action Reports

As-Built Drawings & Test Reports

Final Dossier & Handover Documents

### OUR QA/QC APPROACH

- ✓ Prevent defects through planning and control
- ✓ Detect defects early through inspection and testing
- ✓ Correct defects with root cause analysis
- ✓ Verify effectiveness of corrective actions
- ✓ Maintain complete and traceable records
- ✓ Continuous improvement for better performance

“Quality is never an accident. It is always the result of intelligent effort, sincere intention, and skilled execution.”

### PLANNING & REVIEW

### SITE INSPECTION

### TESTING & VERIFICATION

### REPORTING & DOCUMENTATION

### CLIENT WALKTHROUGH

### HANDOVER & CLOSE-OUT

**QUALITY IS OUR STANDARD**

**CUSTOMER SATISFACTION IS OUR GOAL**

**COMPLIANCE IS OUR DUTY**

**CONTINUOUS IMPROVEMENT IS OUR CULTURE**

# HEALTH, SAFETY & ENVIRONMENT

## HSE MANAGEMENT SYSTEM

**SAFETY FIRST. EVERY PERSON. EVERY TASK. EVERY DAY.**

At Hidayath Deccan Company, we believe that safety is the foundation of every successful project. Our HSE Management System provides a proactive framework to protect people, assets, the community and the environment while ensuring compliance, quality and performance at all times.

### OUR HSE COMMITMENT

- Protect people and prevent injury
- Comply with legal and other requirements
- Prevent pollution and protect the environment
- Provide safe and healthy workplaces
- Continually improve HSE performance

## OUR HSE MANAGEMENT PILLARS

### LEADERSHIP & POLICY

Visible leadership, clear responsibilities and strong commitment to HSE excellence.

### PLANNING & RISK MANAGEMENT

Identify hazards, assess risks and implement effective control measures.

### SAFE SYSTEMS OF WORK

Implement safe work procedures, permits and method statements for all activities.

### PEOPLE & AWARENESS

Competent workforce through induction, training, toolbox talks and engagement.

### PERFORMANCE & ASSURANCE

Monitor, measure and review performance through inspections, audits and KPIs.

### ENVIRONMENTAL STEWARDSHIP

Minimize environmental impact through responsible resource use and protection.

## OUR HSE MANAGEMENT PROCESS

### IDENTIFY

Identify hazards and understand risks

### ASSESS

Evaluate risk and determine priorities

### PLAN

Plan controls, resources and safe methods

### CONTROL

Implement controls and ensure safe work execution

### COMMUNICATE

Communicate and consult with stakeholders

### EXECUTE

Carry out work safely as planned

### INSPECT

Inspect, monitor and verify compliance

### IMPROVE

Learn, improve and drive excellence

## HSE PRINCIPLES

-  People are our greatest asset
-  Safety is a condition of employment
-  Plan all work – Work all plans
-  Comply with laws and requirements
-  Stop work if it is unsafe
-  Protect the environment
-  Continuous improvement in everything we do

## HSE STANDARDS WE FOLLOW

-  **ISO 45001:2018** Occupational Health and Safety Management
-  **ISO 14001:2015** Environmental Management
-  **ISO 9001:2015** Quality Management
-  Comply with Saudi Regulations and Client Requirements

## OUR HSE CULTURE

We care for each other.  
We follow the rules.  
We protect the environment.  
We go home safe, every day.

**TOGETHER FOR A SAFER TOMORROW.**

# HEALTH, SAFETY & ENVIRONMENT

SAFE WORK PRACTICES | SAFETY IN ACTION

Safety is not just a policy, it is our daily practice.  
Across every site and every activity, we follow  
proven HSE practices to protect people,  
equipment, assets and the environment.

## OUR FOCUS

Protect  
People

Prevent  
Incidents

Deliver  
Safety

### 1 TOOLBOX TALKS & COMMUNICATION

- Daily toolbox talks
- Share hazards and controls
- Encourage participation

### 2 PERSONAL PROTECTIVE EQUIPMENT (PPE)

- Wear the right PPE
- Inspect before use
- Replace when required

### 3 WORKING AT HEIGHT SAFETY

- Use approved harness
- Secure anchor points
- 100% tie-off

### 4 SCAFFOLDING SAFETY

- Inspected & tagged
- Safe access and platforms
- Guardrails & toeboards

### 5 EXCAVATION & TRENCH SAFETY

- Barricade and signage
- Shoring / sloping as required
- Safe access / egress

### 6 LIFTING OPERATIONS SAFETY

- Lift plan & risk assessment
- Certified equipment
- Tag lines – no riding

### 7 ELECTRICAL SAFETY & LOTO

- Lockout / Tagout (LOTO)
- Check before energizing
- Qualified personnel only

### 8 FIRE PREVENTION & EMERGENCY PREPAREDNESS

- Keep fire points accessible
- No smoking on site
- Know emergency numbers

### 9 EQUIPMENT & TOOL INSPECTION

- Inspect before use
- Report defects
- Do not use unsafe equipment

### 10 HOUSEKEEPING & SITE MANAGEMENT

- Clean as you go
- Proper waste disposal
- Clear walkways

### 11 TRAFFIC & PEDESTRIAN SAFETY

- Segregate vehicles & pedestrians
- Speed limits on site
- Use spotters & signage

### 12 CHEMICAL HANDLING & STORAGE

- Read SDS before use
- Proper storage & labeling
- Spill control ready

### 13 ENVIRONMENTAL PROTECTION

- Reduce, Reuse, Recycle
- Control dust and noise
- Prevent pollution

### 14 WELDING & HOT WORK SAFETY

- Hot Work Permit
- Fire watch in place
- Remove combustibles

### 15 EMERGENCY RESPONSE & FIRST AID

- Trained first aiders
- Emergency drills
- Be prepared, stay calm

**ZERO COMPROMISE  
ON SAFETY**

WE PROTECT  
OUR PEOPLE

WE PROTECT  
OUR PROJECTS

WE PROTECT  
OUR ENVIRONMENT

WE DELIVER  
WITH PRIDE

**SAFETY IS  
EVERYONE'S  
RESPONSIBILITY**  
LET'S WORK TOGETHER  
FOR A SAFER TOMORROW.

# SELECTED PROJECTS

## Project Experience & Execution

Hidayath Deccan Company delivers construction and contracting works across **civil, structural, MEP, infrastructure, telecom** and **architectural** disciplines.

Our project experience reflects practical site execution, skilled workforce deployment, technical coordination and disciplined project delivery across multiple stages of construction.

From groundwork and structural development through MEP installation, infrastructure works and architectural finishing, our teams are committed to executing every assignment with a strong focus on **quality, safety, coordination** and **timely delivery**.

**BUILT WITH PURPOSE.**  
**DELIVERED WITH COMMITMENT.**

### CIVIL & STRUCTURAL WORKS

Foundations, concrete, structural works and building construction executed with precision.

### MEP & INFRASTRUCTURE

Mechanical, electrical, plumbing and infrastructure systems delivered to the highest standards.

### TELECOM & UTILITIES

Telecom towers, utilities and network infrastructure for reliable connectivity.

### ARCHITECTURAL FINISHING

Finishing and fit-out works that transform spaces into functional environments.

# TRUSTED RELATIONSHIPS. SHARED SUCCESS.

Hidayath Deccan Company values strong, professional relationships built on reliability, responsiveness and consistent project delivery. We work collaboratively with clients, contractors, suppliers and project stakeholders to support successful execution across the Kingdom.

## OUR VALUED CLIENTS & PARTNERS

**BUILDING RELATIONSHIPS. DELIVERING VALUE.**

# CORPORATE CREDENTIALS

Established. Compliant. Ready to Deliver.

Hidayath Deccan Company operates with a commitment to regulatory compliance, corporate governance and professional business practices in the Kingdom of Saudi Arabia.

Our statutory registrations and corporate credentials provide the foundation for reliable and accountable project delivery.

## COMMERCIAL REGISTRATION

Hidayath Deccan Company is a registered business in the Kingdom of Saudi Arabia.

## UNIFIED NATIONAL NUMBER

Unified National Number (700 Series) issued by the Ministry of Commerce.

## NATIONAL ADDRESS

Registered National Address with Saudi Post (SPL).

## VAT / ZATCA REGISTRATION

Registered with ZATCA for Value Added Tax (VAT).

## CHAMBER REGISTRATION

Registered member of Riyadh Chamber of Commerce.

## CONTRACTOR CLASSIFICATION

Contractor Classification Certificate issued by MOMRAH.

COMPLIANT IN PRACTICE. PROFESSIONAL IN DELIVERY.

# OUR CONTRACTING CAPABILITIES

We deliver end-to-end construction and engineering solutions with a focus on quality, safety, innovation and timely delivery.

## WHAT WE DO

Our integrated capabilities allow us to handle diverse and complex projects with precision, efficiency and accountability.

### CIVIL CONSTRUCTION

Structural works, concrete structures, foundations, roads, utilities and infrastructure with high standards of quality and durability.

### MEP SOLUTIONS

Mechanical, Electrical and Plumbing works including installation, testing, commissioning and maintenance solutions.

### INFRASTRUCTURE DEVELOPMENT

Infrastructure works including roads, drainage, utilities, earthworks and other essential infrastructure projects.

### TELECOM INFRASTRUCTURE

Telecom tower erection, BTS sites, fiber optic networks, cabling and telecommunications infrastructure works.

### GENERAL CONTRACTING

Complete construction solutions including project management, procurement, execution and handover.

## END-TO-END SOLUTIONS

We manage every phase of the project lifecycle to ensure consistent quality, safety and client satisfaction.

PLANNING & DESIGN

PROCUREMENT & LOGISTICS

CONSTRUCTION & EXECUTION

TESTING & COMMISSIONING

HANDOVER & SUPPORT

## OUR STRENGTHS

Experienced professionals and skilled workforce committed to excellence.

Strong focus on quality, safety and environmental responsibility.

Efficient project management ensuring on-time delivery.

Modern equipment, technology and best industry practices.

Long-term partnerships built on trust, performance and integrity.

## OUR COMMITMENT

We are committed to building strong relationships with our clients by delivering projects that meet expectations, enhance value and contribute to a better future.

QUALITY IN EVERYTHING WE DO

SAFETY AS OUR TOP PRIORITY

## INNOVATION TODAY. LEADERSHIP TOMORROW.

We embrace innovation and modern technologies to enhance productivity, improve project outcomes and create lasting value for our clients, partners and communities.

### OUR INNOVATION FOCUS

#### TECHNOLOGY DRIVEN

Leveraging advanced technologies and digital tools for better project delivery.

#### CONTINUOUS IMPROVEMENT

We continuously improve our processes, systems and capabilities.

#### SMART SOLUTIONS

Delivering efficient and sustainable solutions tailored to client needs.

#### RISK MANAGEMENT

Proactive approach to identify, assess and mitigate project risks.

#### SUSTAINABLE FUTURE

Building responsibly today for a better and sustainable tomorrow.

### OUR DIGITAL CAPABILITIES

#### PROJECT MANAGEMENT SYSTEMS

Real-time project tracking, reporting and collaboration.

#### BUILDING INFORMATION MODELING (BIM)

Enhanced planning, design accuracy and construction efficiency.

#### DRONE SURVEY & MAPPING

Accurate site surveys, 3D mapping and progress monitoring.

#### CYBER SECURITY

Secure systems and data protection across our operations.

### QUALITY POLICY

We are committed to delivering projects and services that meet or exceed client expectations through:

- Compliance with applicable standards and regulations
- Continuous improvement of quality management systems
- Competent and well-trained workforce
- Effective communication and teamwork
- Customer satisfaction and long-term relationships

Quality is not an act, it is a habit.

### SAFETY POLICY

Safety is our top priority. We are committed to providing a safe and healthy work environment by:

- Complying with safety laws and regulations
- Identifying and controlling risks
- Providing training and resources
- Promoting a culture of safety

Zero harm is our goal.

### ENVIRONMENT POLICY

We are committed to protecting the environment through responsible construction practices:

- Reducing waste and emissions
- Efficient use of resources
- Promoting recycling
- Supporting sustainable development

Building a greener tomorrow.
